

Business Meetings at St Julians

St. Julians is a Grade II listed building set in the beautiful surroundings of the Weald of Kent. Built between 1836 and 1838, it was bought and converted into a private members' club in 1956. St Julians Club is an ideal location for your business function or meeting, and is easily accessible from the A21, M20 and M25.

Our rooms are suitable for all types of meetings, from business interviews, training and away days to large conferences. The Lounge and Gallery share unparalleled views across the Weald valley. The Lounge is the largest of the three rooms with plenty of space and the possibility to add the conservatory for a breakaway room, whilst the Gallery is a smaller room ideal for boardroom meetings. There are additional rooms enabling scope for breakout groups. Day delegate rates can be arranged – please contact us for further details.

Our dedicated team of event co-ordinators will work with you to ensure that all your requirements are met prior to the event. We have an extensive list of modern audio-visual equipment. Broadband connection is available in all rooms.

Our experienced front-of-house staff will be on hand to serve you discretely and efficiently during the course of your meeting.

St Julians offer a unique venue for your business meeting with the majority of our meeting rooms booked by returning clients. We are exceedingly popular with trainers, who often request to come back to the club praising the fantastic venue and delicious buffets.
