

2017 Wine Tasting Dinner Programme

Following the success of our Wine Tasting Dinners at the end of last year, we are launching a full programme of dates for this year.

The evenings are a chance to discover new wines, from both our cellar and from local wine merchants, and enjoy them with seasonal dishes from our kitchen. The evenings are hosted by Jo Maclean of Wine Savvy, who has worked with wines since 1997, in retail, buying and marketing and who judges at the International Wine Challenge.

During the tasting you can expect to be guided through each wine and to pick up lots of practical advice and tips as well as learning more about wines in general. Each month the wines and foods being served will reflect the new season. In March we will be looking at wines for the spring, including wines that can be enjoyed over Easter with new season lamb.

If you love wine but would like to learn more about it while enjoying some delicious foods then here are the dates for your diary:

Spring March 2nd

Summer May 25th

Autumn September 7th

Winter November 32nd

The tasting dinners start at 7.30pm, include a 4-course meal with up to 7 different wines to taste and full wine notes.
