16. Lighting				32. Other		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Unacceptable				
Comments												
<p>This RAMS document must be read in conjunction with the 'Coronavirus (COVID 19) Operating Procedures' for employees. Everyone must work together to protect the safety of each other.</p>												
<p>Notes</p> <ol style="list-style-type: none"> Physical hazards are the nature of issues that may cause harm. Tick box for hazard. Preventative/control measures are the actions that will stop it going wrong. Control measures are to ensure that residual risks are reduced to a minimum. Where controls fail to reduce the risk to an acceptable level then refer assessment to your line manager. If the operations are likely to affect the public or the safe operation of a public infrastructure or transport system, the control measures must reduce the likelihood of significant harm to the level that existed before our work commenced. Where young persons or expectant mothers are involved in the activity, ensure that any additional controls are put in place in accordance with local procedures. In addition to the above, consideration must be given to other individuals' susceptibility due to pre-existing health conditions (such as a bad back or poor hearing). Additional human factors (such as ergonomics and workplace design) should also be considered. Where a hazard is identified that is not listed in the physical hazards list, enter the hazard description followed by 'other' in brackets, for example (Other).

32	<p>SOCIAL DISTANCING - Exposure TO AND THE SPREAD OF THE COVID-19 Coronavirus</p>		<p>1st APRIL 2021-11TH APRIL 2021 9.00AM-10.00am – Lane swimming only – 9 members maximum capacity in main pool 10.00am-6.30pm – Leisure swimming – 25 members maximum capacity in main pool 8 members maximum capacity in slide pool Staggered entry times</p> <p>Arrival Meet & Greet – on arrival customers are required to wait at the designated entrance point to the Club applying a 2 metre physical distance Club members are requested to sanitise their hands as they enter the Club house to sign in.</p> <p>Customers are greeted on arrival, briefed on social distancing and company risk control measures and. Tape for queue management Families will not require social distancing.- Recommended min –6m2 per person</p> <ul style="list-style-type: none"> • Members must pre-book a half-hour swimming pool time slot at the welcome 	Pool Attendant/Duty Manager	

SOCIAL DISTANCING - Exposure TO AND THE SPREAD OF THE COVID-19 Coronavirus

point.

- Members are expected to self-manage their time slot for lane swimming.
- Members are requested to come 'beach ready' no more than 15 minutes before their session.
- Members are requested not to enter the pool until their allocated time.
- Members are allowed 15 minutes after swimming to change and leave the site.
- Members are requested to spend minimal time in cubicles and to take their clothes with them when they have changed.
- Guests are not permitted in the pool area.
- Only one child is allowed on the slide frame at any time

There is a pool attendant ensuring social distancing in pools, managing time slots and ensuring that maximum capacity is not exceeded in pools.

Parental Responsibility -Members are advised that they must take parental responsibility for their children and supervise at all times to maintain social distance from other members whilst in the pool

Adhere to social distancing at the pool side and follow any one-way system as indicated.

Kiosk –

A Perspex screen is in place as a barrier between staff and members

Club members are asked to adhere to the social distancing markers at kiosk area.
